ETIQUETTE

Please repair pitch marks and divots, rake bunkers and avoid slow play.

Entering the reed is not permitted.

LOCAL RULES

Out of bounds (Rule 27-1)

Out of bounds is marked by white stakes.

Ground under repair (Rule 25-1)

All areas defined by blue stakes or ringed by white lines. In case of interference by GUR (Rule 25-1a), player must take relief under Rule 25-1b.

The area on the right-hand side of the tees at hole 5, marked by blue stakes with green top, is an Environmentally-Sensitive Area (ESA), and therefore GUR from which PLAY is PROHIBITED.

If a player's ball lies in this area, or it interferes with the player's stance or the area of his intended swing, player MUST take relief under Rule 25-1. Entering this area of GUR is strictly forbidden.

(Lateral) water hazards at holes 13 and 16

When a ball lies, or is lost, in the lateral water

hazard at the right-hand side of the green of hole 13 or the lateral water hazard behind hole 16, a ball MUST be dropped under penalty of one stroke within two club-lengths of the nearest Dropping Zone Stake marked 'DZ'.

Distance Measuring Device (DMD)

For all play distance information may be obtained by using a device that measures distances. However, if a distance-measuring device has additional functionality that can gauge or measure other conditions that might affect a player's play, the use of any such additional function would be a breach of Rule 14-3.

DISTANCES

Distance posts alongside fairways are 150 meters from the centre of the green.

Distance markers in the fairway indicate 200 (blue), 150 (yellow), and 100 (red) meters to the centre of the green.

Flag positions

Red flag marks BACK, white flag MIDDLE, and blue flag marks FRONT.
